Sherry Kyle : Road to Harmony before purchasing it in order to gage whether or not it would be worth my time, and all praised Road to Harmony:

0 of 0 people found the following review helpful. Couldn't put it down!By MailyI loved this book! The story drew me in immediately. The characters are relatable and likeable so you can really understand their inner struggles between choosing to follow their heart or their head. The main protagonists have to manage obligations, expectations and longings while dealing with a bit of mystery, suspense and danger. The story keeps you guessing and rooting for all the characters.0 of 0 people found the following review helpful. and fun in the California westBy ginny sHeartwarming and often humorous story of life, faith, and fun in the California west. I enjoyed it a lot!0 of 0 people found the following review helpful. A sweet storyBy YosemiteSydThe Road to Harmony is a sweet story about star-crossed lovers who struggle with the tension between their perceived obligations and their hearts's true desires. Sherry Kyle depicts the relationship between Elena and her mentally impaired brother particularly well. Elena has to learn where to draw the line between protecting her brother and allowing him to become independent.Elenars's choice of a husband and a lifestyle is the heart of this story. The historical setting of early twentieth century California recalls a time when a significant percentage of the economy was agriculturally based. Matrimony was as much an economic decision and a family affair as it was a personal choice. Readers might ponder how true this is in today's culture.Kyle captures some of the social friction that was growing in the progressive era. Gender roles were being redefined, but the Christian ethic was still strong. That Elena would endeavor to accommodate the needs of others to the point of sacrificing her dreams may not play well in today's narcissistic culture. But sacrifice often affords a solution. Given enough faith and time, good things can happen to those who wait on the Lord.I received a digital copy of Road to Harmony in exchange for a fair and honest review. Opinions expressed are mine alone.

Its's 1907 and a cattle thief is loose in Harmony Valley. Elena Seifert wants to help her father guard his dairy farm, but everyone thinks that's a man's job. When her childhood sweetheart returns to Harmony, her heart is torn between Jonas Bollinger, her secret love, and Lars Rissler, the wealthy middle-aged storeowner her parents hope she marries. Jonas never imagined hers'd be back in Harmony Valley, but his pa isn't well. When Jonas makes a promise he wishes he didn't have to keep, he is torn between loyalty to his family and the woman he has loved since he was a boy.The thief continues to strike, while a dispute among dairy farmers stirs up discord in the Valley. Is a truce possible so everyone can live in harmony? And will Elena and Jonas find the inner peace to choose love and still do what is best for their families?

About the Author Sherry Kyle is the author of *Delivered with Love*, *The Heart Stone*, and *Watercolor Dreams*. Sherry's writing credits also include a Gold Mom's Choice Award for her nonfiction book, *The Christian Girl's Guide to Style*, as well as other books for tweens. She lives on the California coast with her husband and their four almost grown kids. Find out more at www.sherrykyle.com
